(v4 30.06.2020)

Transfer Form A

Member's authorisation to provide information to new Scheme

Dear Sir

I am considering transferring the pension rights I have with you into the Local Government Pension Scheme. The arrangement I have with you must be a registered pension scheme for me to be able to look into a transfer.

I have supplied my personal details below. Please provide a transfer value figure and all the relevant information on Transfer Form B and send it to me at my home address so I can forward it to my scheme administrator.

If you choose not to use the form provided then you must supply all of the information requested on Transfer Form B. Please treat this request as urgent as there are strict time limits for me to transfer previous pension rights into the Local Government Pension Scheme. **Do not send payment at this stage.**

Please accept this form as my authority to release any information in connection with the transfer of my previous pension rights to South Tyneside Council.

Yours faithfully
