

## Pensions Committee

South Tyneside Council is the administering authority for the Tyne and Wear Pension Fund. The Council has set up a Pensions Committee to control and resolve all matters relating to the Fund. The Council requires the Committee to:

- Prepare, maintain and publish the Governance Compliance Statement
- Ensure that the Fund complies with legislation
- Prepare, maintain and publish the Funding Strategy Statement
- Ensure that the Fund is valued as required and receive and consider reports on each valuation
- Ensure appropriate arrangements are in place for the administration of benefits
- Set the admissions policy
- Prepare, maintain and publish the Communications Policy Statement
- Ensure appropriate additional voluntary contributions arrangements are in place
- Prepare, maintain and publish the Statement of Investment Principles
- Set the investment objectives and policy and the strategic asset allocation in the light of the Fund's liabilities
- Appoint, dismiss and assess the performance of investment managers and custodians.

To find out more information on the dates of meetings, minutes of previous meetings or who sits on the Committee please visit the [Pensions Committee section on the Council website](#).
