

How pensioner members can find their P60's and Payslips

To view your P60's and Payslips once you have logged into your account:

1. Click 'View My Details'

The screenshot shows the Pension Office Online Services dashboard. At the top, there is a navigation bar with links for Home, Help, Contact, FAQs, and Log Out. Below this, a sidebar menu contains three items: Change Password, View My Details (highlighted with a red box), and Link to TWPF Website. The main content area is titled 'Welcome to the Pension Office Online Services' and is divided into sections for Members and Employers. The Members section includes instructions on how to upgrade an account and a list of services available after upgrading. The Employers section provides information about the web services facility. A red arrow originates from the 'View My Details' button in the sidebar and points to a larger, detailed view of the button at the bottom of the page, which also has a red box around it.
